Bob Faith was the 2001 Klamath County Fair, Klamath Falls OR. main head liner. His show was scheduled for the dinner hour and he packed them in. We apologize to the food vendors, as no one was eating.

Bob Faith is a superb entertainer! Mr. Faith is informative as he explains the concept of hypnosis, and creates a relaxing, confident and direct relationship with the subject.

I consider my self a strong-willed character, and determined to prove him wrong, I would not be hypnotized! As I heard Bob tell me I would forget my name upon awakening, I repeated my name and stored it within my brain. Imagine my surprise, upon awakening, Bob asked my name, and it wasn't THERE! Yes! I would be hypnotized again. It's a wonderful experience and Bob Faith makes it so.
