### **FOR IMMEDIATE RELEASE**

#### **New Music from John Carey – Fall 2025**

Careyall Music is proud to announce the upcoming release of a new adult contemporary album from singer-songwriter **John Carey**, due out **Fall 2025**. This deeply personal and socially conscious project shines a light on the challenges we face in today's world—offering both reflection and hope through the universal power of music.

The album's **first single, “Baby Girl,”** is a compelling mid-tempo track with a groove and spirit that recalls the soulful rhythms of **Santana** and the electrifying energy of **Lenny Kravitz**. Crafted for the adult contemporary audience, the song is not just a musical statement but a call to awareness.

As part of this release, John Carey has partnered with **1-800-RUNAWAY** and **1800RUNAWAY.org**—a 24/7 national hotline and online crisis service providing support for runaway, homeless, and at-risk youth across the United States, Puerto Rico, the U.S. Virgin Islands, and Guam.

Each year, thousands of young people face the heart-wrenching reality of running away or being pushed out of their homes. Through the **Runaway and Homeless Youth Program**, Careyall Music proudly supports street outreach, emergency shelters, transitional living, and maternity group home programs that provide safety, dignity, and a path forward for these vulnerable youth.

We invite you to **join us in spreading awareness** about youth homelessness and runaway prevention. Music can be a powerful catalyst for change—**let's use it to amplify the voices that need to be heard.**

**Stay tuned for more updates, and listen for “Baby Girl” this summer.**

Together, we can make a difference.
